If you are once again volunteering, is there anything your need or ideas to improve on your classroom experience? Anything we can do to assist you?

From this past year (2019-2020), are there any students in your class that you feel should be separated next year? Are there any students with special needs that require attention? Are there any students that you feel require a 1-1 aide if we are able to have volunteers for that purpose?

Thank you for all you do for the children of the St. James Parish.

God Bless,
Dorothy Zmigrodski, Director of Religious Education
