Dear Parents,

We are very happy to include art classes in our curriculum this year. Because of social distancing protocols due to COVID-19, the students in grades K-5 will have art class in their homerooms, and will work at their own desks. In order to avoid sharing supplies, and to make the best use of the space they have, I am asking each student to bring in an art box. This box will be kept in the classroom for the exclusive use of the student, and will contain all supplies needed for enjoyable and varied art experiences.

Art boxes need to include:

- One pair of scissors
- Two glue sticks
- One box of 24 crayons
- One 10-pack of washable markers in classic colors
- One 13-pack of colored pencils
- One small manual pencil sharpener
- One 8-pack of Crayola washable watercolor paints
- One small paint brush
- Plastic Box to keep supplies in

I am looking forward to bringing the students a variety of fun and creative artistic experiences this year. Please contact me if you have any questions at: ljensen@sj-school.org

Thank you.
