

Parishes conduct the Baby Showers in different ways. Some collect items at Sunday Masses. Others focus on participation by religious education students. Another idea is to gather for an event and speaker from Pregnancy Help. With current COVID-19 precautions, parishes are adapting their formats with quick, non-contact drive-throughs or drop-offs.

The Pro-Life Office is happy to help. If your parish would like to participate in the Baby Shower program, please contact Clare DiGiovanni, Office Manager for the Pro-Life Office: [digiov\\_c@rcab.org](mailto:digiov_c@rcab.org), or at 508- 651-1900.
