

## ARCHDIOCESE OF NASSAU

Office of the Archbishop

July 17, 2020

Beloved in Christ,

### **Amendments to the Guidelines for the Resumption of Public Worship**

Given the warm temperatures at this time of year and after having sought medical advice, I am revising our Guidelines for the Resumption of Public Worship during the time of pandemic, issued May 31, 2020.

Beginning this weekend, Saturday July 18 and Sunday July 19, air-conditioning will be allowed in our churches.

Please note that the practice and protocols established by our Ministry of Health are to be strictly observed, namely:

- Hand-sanitizing before entering the church
- Wearing face masks while in church
- Observing social distancing
- Practicing proper respiratory hygiene with regard to coughing and sneezing.

Let us continue to observe these protocols which are intended for our health and well-being.

Devotedly yours in Christ,

Most Reverend Patrick C. Pinder, S.T.D., C.M.G., K.C.\*H.S.  
Archbishop of Nassau
