Reverend and dear Fathers,

GLORY TO JESUS CHRIST!

This year's annual clergy safe environment training program will take place on Monday afternoon 27 September 2021 from 4:00 PM – 6:00 PM at the San Alfonso Retreat House, Long Branch, New Jersey prior to the annual eparchial priest retreat. All priests of the eparchy are required to participate in annual training.

It should be noted that no priest of the eparchy who has not participated in mandated annual training is eligible for a *Celebret* or *Letters of Good Standing*. Should you have any scheduling conflict or inability to attend this training program please contact our office immediately.

As always, thank you for your wonderful support of this vital ministry of our Church.

Fraternally in Christ our God,

Father Dave
