Be a Missionary Witness of the Eucharist!

Adapting the traditional practice of a Eucharistic procession on the Solemnity of the Most Holy Body and Blood of Christ to the 21st Century circumstances of a rural merged parish, we will process in cars between each of our parish sites. Join us and be a public witness to the Real Presence of Jesus in the Eucharist, pray for your fellow parishioners who have stopped attending Mass, and deepen your identity as a missionary disciple taking Jesus beyond the doors of the church!
