This year we will study “The Bible and the Church Fathers.” In this program, you will learn who the Early Church Fathers were and how they shaped the way we read Scripture.

As Christians, we should want to know our family tree. We should like to know who had gone before us in the Faith, where they came from, and what they believed. We should want to know about our history. Enter the Bible and the Church Fathers, the St. Paul Center’s newest video Bible Study. In twelve beautifully produced lessons, you will learn who the Early Church Fathers were and how they shaped the way we read Scripture.

The Bible and the Church Fathers will teach you everything you need to know about how the Bible took form. What is more, you will recognize the powerful effect of Scripture on the Church Fathers. For them, this was no academic pursuit. Their love of God’s Word transformed their lives—just as it has the power to transform ours today. We will learn more about the “The Bible and the Church Fathers” by studying in person or meeting virtually via the ZOOM program through twelve {12} sessions. We will meet weekly for one hour. Participants only need to choose one way of study (either by computer or in-person). There is no charge for this program, and the workbook is available.

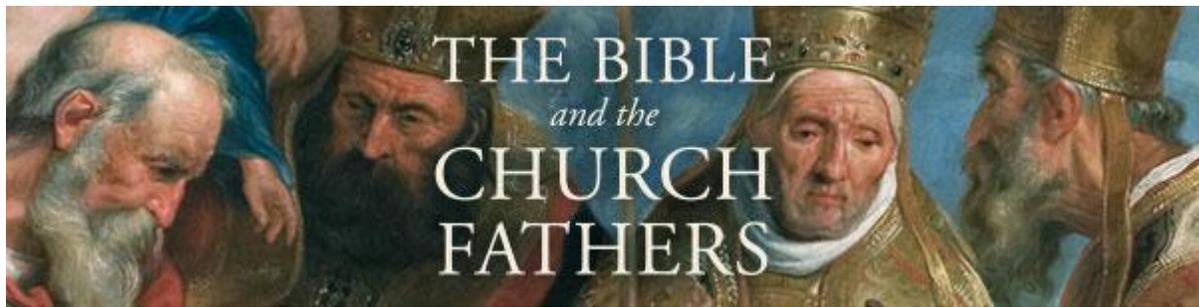

Here is the schedule:

- St. Mary, our first in-person meeting, will be on Sunday, January 24th, 2021, at 10 am.
- St. Richard, our first in-person meeting, will be on Tuesday, January 26th, 2021, at 10 am.
- The first virtual meeting using the ZOOM program will be on Thursday, January 28th, at 6:30 pm.
