

# YOUTH MINISTRY RECRUITMENT

***St. Mary Youth Ministry is reaching out to our youth and young people!***

For some time now, St. Mary Parish Religious Education and Evangelization has looked into ways to start a Youth Ministry program that many teenagers need, right here in our parish. Our youth are not only the Church of tomorrow, but they are also, very much, the Church of today, and we need to care for and nurture their faith in relevant ways. Starting in September 2019, Faith Formation and Youth Ministry began working together to create an active, engaging youth ministry. The possibilities for our young people are very exciting! Please PRAY FOR and SUPPORT this great opportunity. For more information regarding this *new* Youth Ministry, please contact Paul Zdzieblowski, our DRE (734) 721-8745 x129, or Father Seán Bonner x136.
