

Message from the RC Local Director

THE HOLY SPIRIT INSPIRES

Maligayang Pasko to all our Regnum Christi Members! In behalf of the Legionaries of Christ, we send our prayers that Christ enter your hearts in a way that is deeper and a little more felt than in previous years. May each passing year bring a deeper closeness to Him and a clear realization of what our Mission is on this earth --- **to know Him, love Him more and transmit His Spirit more profoundly to all people. It's the Holy Spirit that inspires us to do new things all the time, for the sake of His name.**

Let's pray for each other that Christ be born in us again anew as we intensely prepare for that final Christmas when we meet Him again face-to-face in heaven. May God bless you all!

Message from the Communications Head

IN GRATITUDE FOR COMMUNITY

On Christmas day, we unbox a milestone in Regnum Christi Philippines' history — our home on the web.

One of the tangible fruits of this pandemic was the creation of RC Social Media team and with it, came the slow and steady development of a Communications Office. I want to take this opportunity to thank all the wonderful individuals **who came to together in a spirit of communion, creativity and collaboration.** So many people have joyfully contributed to this project.

It certainly takes a village to raise a child and in the same way **it has taken a community to bring to life and launch the website.** This is RC Philippines' gift to all its members. We hope you enjoy, engage and explore regnumchristi.ph!
