

# A SUCCESSFUL CWL FOOD DRIVE

All Saints Day and the delivery of 31 boxes of food and cooking oil (each box weighed an average of 15lbs.)

Thanks to Anne Marie Munden for organizing and taking the lead on this. CFFC can no longer make shipments to the Canadian North due to the ice forming on the waterways in the north. CFFC will send everything to the Missions in Northern Peru and hopefully will be there in time for Christmas.

Many, many thanks to our wonderful members and parishioners for their donations

The Rosary on the tree saved the day.

No rain while the collection of food was on.  
Praise God!
