A Note from the Teachers:

Our Catechesis of the Good Shepherd program begins this month. We are fortunate to have Mrs. Barrick as our catechist.

Mrs. Chris will begin our spanish lessons with the introduction of the first Osito (bear). She will be reading the book "Whoever You Are" by Mem Fox. It is a beautiful book about loving everyone!

Our Handwriting without Tears curriculum is getting under way. We have explored big lines, little lines and have been singing many songs that prepare our whole bodies for writing.

We are planning some festive activities and games for our Halloween party. We will send out a volunteer sign up for donations for things we need. The children are welcome to wear a comfortable costume (no masks or accessories) or fun, fall themed clothing.
