October news

Weekly Focus this Month:

We will begin our letter, color, shape, and number of the week. We will incorporate these throughout our weekly lessons. Sensory, Stem, Read alouds, art, manipulatives, dramatic play, and more will all incorporate our weekly themes. We will also start using our weekly "planners" where you will be able to see what the children did in centers when a tangible piece of education didn't come home!

Important Dates:

- *Oct. 1 and 15th are marked as no TK days; this does NOT apply to us. KI will be open 7-5:30.
- * Oct. 5&6 Conferences; sign up on ParentSquare
- * Oct. 21 Faulker's Ranch Field Trip
- * Oct. 28 Halloween Party

We are so blessed to now have Mrs. Reeves in our classroom! Now that we have developed a fairly consistent schedule and teaching team procedure please communicate with us both when using ParentSquare so we can all provide the most up to date information and relevant communication for your child!

We get messy and have accidents, spills, etc. in preschool! Please send an extra pair of clothes to keep at school! Thanks!
