

Munchkin October Newsletter

Munchkin Families-

Our school year is off to a great start! Once again we are happy to finally have our Full Day, Extending Day and each individual family at school. We feel so lucky to have such an awesome group of kids and families. Our class is still not full- We will have a few more Munchkin's starting throughout the year as they turn two.

The Munchkins are doing great with their "I can" statements. In October, our weekly themes will be: I can listen, I can experiment, I can learn about fall, I can learn about pumpkins/spiders, and I can pretend- Halloween. We have really enjoyed watching them learn so much in our school year so far.

Please start sending a jacket to school with your child. Our playground is mostly shaded so it does get chilly. Thanks

If you have any questions feel free to email, call or message us via parentsquare we would love to answer your questions.
