Karen and Raquel,

Tim Stedl presented the following to the Parish Council on Thursday evening, January 14, 2021 and as a council we approved his request to use the money in the Memory Garden fund to replace the deteriorating bricks. Please take this proposal to the Finance Council next week for a vote and then update on status.

Proposed by Tim Stedl: When the Memorial Garden was established the decision was made to purchase concrete bricks and take them to Hoffman Monuments to engrave at the cost of \$30 per brick. Over the years the concrete brick has not held up and the engraving is hard to see on many. Tim proposed we purchase from Hoffman new granite bricks at a cost of \$30 to \$35 per brick (includes cost of engraving) to replace the 180 existing concrete bricks. Tim did state Hoffman would probably charge us \$30 per engraved granite brick as long as he can work on them when time allows. So Tim would like to use \$5,400 from the Memorial Garden fund to cover the cost of replacing 180 bricks at \$30 per brick. Going forward Tim will no longer use concrete bricks but purchase an engraved granite brick from Hoffman Monuments.

Thank you,
Cathie Lodel
Parish Council Chair
