

## IF ANSWERED

Hello, this is (your name) from St. Clare Parish.

Is this (parishioners name)?

Since we can't gather at the church or office right now, we thought the next best thing would be to call and see how you are managing

*A conversation should follow, let the person talk. Listening with patience.*

- *If they live alone –*
- *If they have children at home -*
- *Resource numbers of use -*
  - *If we are asking how they are managing, we should be at least a bit equipped to help respond with accurate resources. Food, prayer, Mass, FB, Web, etc – you should have this handy.*
- *If they express an interest or passion about something in the conversation, then you can introduce a ministry. We should take the info – and make the connections, take off from them.*
- *Wow so you like to sing. We have an awesome choir that is always looking for new voices to raise the praise. Here is our music ministers contact email, he'd love to hear from you.*
- *Wow you have a six-year-old. We have a great bible camp in the summer I bet they would love. Here is the number to get more information*
- *Wow sounds like you have a lot of medical appointments. Did you know we have nurses that can check you BP after Mass on Sundays once a month? Sr. Rebecca runs this her number is 313-647-5015. Give her a call or I can have Sr. Rebecca give you a call. Would that be ok?*

If they are new or don't know much about the parish encourage tell them about some of the fun things we have; social, spiritual, etc.

## PARISH CENSUS

While I have you on the phone, I'd like to take a minute to verify your parish census information, is that ok?

We have the following information on file...

Is this accurate?

Ok looks like I've got everything updated thank you!

Be sure to check out our FB page *St Clare of Montefalco Parish* we have prayers 3 times a day you can participate in live or watch the recorded version as well as the Sunday Mass.

Before we finish is there anything, I can do for you or any questions I can answer (or get the answer and get back to them) for you about the parish?

Well, it was great talking with you. When this is over, we will have to have a big parish celebration together!

I hope that will be soon and I look forward to seeing you there.
