TSI Testing *(Maximum limit 25 students per session)*

What do I need to do now? If you have not done this at TMHS then follow the steps below.

1. A Pre-Assessment Activity (PAA) is required before TSI testing. This can be done on-line at www.delmar.edu/tsi (click on "begin your Pre-Assessment Activity" at bottom of page). It may take 45 minutes to an hour for this step.
2. Once students have completed the Practice Assessment (PAA), they will **print a certificate** indicating they completed the PAA after all components have been reviewed.
3. Submit your printed certificate to Ms. Rose Perez at the College & Career Office (library).

How much does the test cost: cost of the test is \$20.00 for the first time; \$10.00 for re-testers; \$10.00 Partial Fee waiver (must qualify). Payment *must* be made at the time of registration.

If paying by check make payable to Tuloso-Midway High School and include a driver's license number.

When is the TSI Offered? PAA must have been completed.

- Students must register one week before test day with Mrs. Casarez in the Counseling Office.
- The TSI test will be offered throughout the year.
- The test is untimed and could take up to five hours.
- Space is limited to 25 students per test date on a first-come, first-serve basis.
- Payment must be made before the test date.
- Reduced cost Fee waivers are available to those who qualify (i.e. free or reduced lunch, etc.)
