Christina Treviño., Assistant Principal
Edith Diaz PhD, Counselor
Amanda Rodriguez, Counselor*

March 26, 2020

Dear Tuloso-Midway Primary Families,

As we end our second week of our school closure, I would like to take this time to thank each of you for your support and understanding during this unexpected time. Although none of us have experienced anything like this before, our Tuloso-Midway Primary Family of students, parents, educators, district staff, and community leaders have all quickly risen to the occasion to do what is best for everyone in our community.

Over the last two weeks, our TM Primary Teachers and Staff have worked extremely hard to provide instructional resources to ensure that your child continues to grow in their learning during this closure. This past Monday we began a new venture, distance learning. Our teachers have been recording mini lessons, holding virtual classrooms, and have been in contact with you and your child over the last week and will continue to do so until we return to school. Please visit our School Closure Resource Page on our Tuloso-Midway Primary website at www.tmisd.us/t-m-primary-school. Here you will find links to lessons, videos and instructional resources for you to use at home. If your child is unable to access our online learning resources, our teachers will do everything possible to ensure that they receive additional support via phone conferences.

We understand that for many parents this unique and unexpected position of working from home, taking care of your families and helping with distance learning can be overwhelming. Please be reassured that we are here for you. Do not hesitate in contacting your child's teacher if you have any questions regarding any resources or questions that you may have. You can also contact me directly at ldavila@tmisd.us or 361-248-9412.

As always, the health and wellness of our TM Primary Families and Staff continues to be a priority. Take care of your family and remember that we are in this together. We miss our students dearly and look forward to when we are able to reopen our school doors.

With sincere appreciation,

Laura Y. Davila

TM Primary Interim Principal
