

# By-Laws for St. Gerald Parish School Advisory Board

Adopted: April 28, 1987

Revised: March 14, 2019

## Article I Policy

- A. Any Board member, including ex-officio members may present, in writing, policy recommendations to the Board at or before a regular scheduled Board meeting.
- B. The policy may not be voted upon until the meeting following the one at which the policy was presented. Policy recommendations must be approved by a simple majority of those present with the Pastor having the right to final approval.
- C. All policies shall be evaluated as circumstances warrant at least every three years and revised as necessary.

## Article II Code of Ethics

The **Code of Ethics for Advisory Board Members**<sup>1</sup> delineates the expectations inherent in the purpose of the board. Members, by accepting the position to serve on the advisory board, ascribe to this code. Periodic review of the code reminds members that they are working together for the common goal: to promote the mission and purpose of Catholic education. The Code of Ethics addresses the following: *conflict of interest, confidentiality, objectivity, justice, fairness, and maintenance of unity.*

### **Conflict of Interest:**

Advisory board members shall avoid situations that present actual, perceived or potential conflict between their interest and the interest of the school.

### **Confidentiality:**

Members of the advisory board are responsible to keep matters discussed in executive/closed sessions in confidence. Official information/business discussed in such sessions cannot be shared with non-board members, even with one's spouse.

### **Objectivity:**

Since total objectivity is impossible for anyone to achieve, members are asked to identify and manage their own personal biases. It is important that members see situations from multiple points of view rather than solely from their own perceptions, assumptions and feelings.

### **Justice and Fairness:**

Decisions made by the advisory board and approved by the pastor should be the result of honest and open discussion by all members: pastor, principal and parent/parishioner membership. Consideration of the good of the total parish/school community should be integral to the decision-making process. Every member shall uphold decisions. When decisions will affect various constituencies, those constituencies should be informed at the same time through an agreed upon vehicle of communication.

---

### **Maintenance of Unity:**

In achieving its objectives within the faith community of the parish/school, the advisory board is to do all it can to avoid creating factions, sides or other divisive groupings in the parish and school community. Members should function within the framework of the total leadership of the parish and strive to cooperate with other leadership groups in the local faith community.

### **Article III Hiring the Principal**

- A. When the position of the Principal is vacant, a Search Committee shall be established which shall consist of: the Pastor, the Board President, at least two other Board members, and two faculty representatives.
- B. Qualified religious or lay candidates, whose credentials have been accepted by the Archdiocesan School Office, will be considered.
- C. All candidates meeting the requirements will be interviewed by the Search Committee and the Committee will narrow the search to the two or three leading candidates who will then be interviewed by the entire advisory board.
