Dear Customer,

Congratulations on your new electronic water meter! Your new electronic meter offers the following advantages over the previous mechanical meters.

1. Meter reads are electronic instead of manual
2. Electronic meters offer a 10-year warranty
3. More accurate water reading than mechanical meters
4. Customers can view their water usage 24/7

With electronic water meters, you now have direct access to your water usage data via a mobile and desktop application called, **EyeOnWater**. The District's EyeOnWater tool provides a platform for residents to review and analyze their usage patterns. The application also offers the ability to identify and monitor potential leaks and set notification alerts.

To access the website and set up your personal account, simply click on the link below <https://eyeonwater.com/signup> and follow the instructions to create your personal account.

You will need the following to get started.

1. Zip code
2. Email address
3. Account number from your water bill (ex. X-XX-XXXXX-XX)

*If you do not have your water bill, you can call the water utility office at 512-402-1990  
M-TH from 8am-4:30pm, or Friday until 4pm*

You can also download the EyeOnWater app from Apple App Store or Google Play.

Below are helpful YouTube videos on how to set up and use the EyeOnWater software for both mobile and desktop applications.
