

The logo for CYO Athletics features the text "CYO ATHLETICS" in a bold, white, sans-serif font. The text is centered within a dark, rectangular background that has a subtle, dark-toned image of a running track or road receding into the distance.

CYO ATHLETICS

Catholic Sports/NVJCYO

The Fairfax County Health Department along with CDC recognize that while the benefits of student athletics include exercise, peer competition, and socialization, athletics continue to pose a significant risk for COVID-19 transmission even when mitigation efforts are followed. COVID-19 is transmitted through close contact and through the breathing in of infected respiratory droplets, which are present in greater quantity and spread farther during physical activity or exertion.

Given the recent significant increase, per FCHD, in the number of COVID-19 cases associated with student athletics, along with evidence of transmission occurring among teams, SJC/SJS will not sponsor parish sports this spring. We thank you for your respect and understanding of this decision.

Peace and good!

Father Tom and Mrs. Rutledge
