

THE CATHOLIC SCHOOL OF ST. EUGENE STUDENT PARENT INPUT SHEET for 2020-2021

At CSSE, our goal is to create balanced and successful communities of learners. Our classroom teachers and administration carefully work as a team to prepare class lists for the next school year using the following criteria:

- Achievement level balance
- Distribution of boys and girls
- Parent input regarding individual concerns or needs
- Equitable class size
- Teacher recommendations
- Special Services
- Student Profile
- Group Dynamics

A well-balanced class allows the students and teachers to perform at their best. While most students can be successful in any classroom, parents wishing to provide additional input regarding their child may fill out information below and return it to the office **by May 21, 2020** (between 12pm-5pm on May 19th & 20th) through the mail, or email to principal@steugeneschool.org with subject "Placement Input."

Please note that specific teacher requests are not accepted.

Student's Name _____ Current Teacher _____ Grade Entering _____

Please consider the following information concerning my child:

Below are three characteristics I value most in my child's teacher and/or classroom environment. **I understand that specific teacher requests may not be considered.**

1. _____
2. _____
3. _____

Does your child need to be separated from another student, if possible? If yes, please explain:

I understand that this input sheet will be taken into consideration along with other relevant information as school administration determines the best placement for my child.

Parent Name (please print) _____

Parent Signature _____ Date _____
