3. Each parish/school will have a designated Site Transportation Facilitator (STF) who will ensure bus driver paperwork is provided to the DOV Office of Transportation and a copy maintained at the parish/school level. 4. Each STF or at least one designee from each site will have a minimum of one (1) hour training on alcohol misuse and one (1) hour training on controlled substance use. This training will be used to determine whether conditions exist that necessitate testing a bus driver under reasonable suspicion conditions.

5. When utilizing contracted buses, proof of insurance must be obtained from the contracting company. Please check with the DOV Office of Transportation regarding limits. It is also strongly recommended research of the company be conducted through [www.fmcsa.dot.gov](http://www.fmcsa.dot.gov) for bus safety ratings.
