You don’t need a dental ID card to get dental care

We want to make doing business with us easier than ever. How will my dentist know I’m an Aetna Dental member? When you visit your dentist, simply tell the office your name, date of birth or member ID number.

But what if I want a card?

Easy — use our mobile app or go online. Log in to your secure member website at aetna.com.

You can print out an ID card for you and your dependents by selecting “ID Card” and then selecting “View ID Card.” If your electronic ID card says “No Election” or “Invalid Choice,” then your plan requires you to choose a primary care dentist (PCD) who is in our network. Until you choose one, your benefits and claims may be affected.*

*California/Arizona DMO® plan participants: If you have not selected a PCD, one may have been selected for you. View your electronic ID card to determine if one was selected on your behalf.

Here’s what else you can do online:

• Find or select a dentist
• View claims and claim address
• Manage your health care spending

Here is a reminder card. Just cut it out and keep it close by.

Colorado: This policy DOES NOT include coverage of pediatric dental services as required under federal law. Coverage of pediatric dental services is available for purchase in the State of Colorado, and can be purchased as a stand-alone plan, or as a covered benefit in another health plan. Please contact your insurance carrier, agent or Connect for Health Colorado to purchase either a plan that includes pediatric dental coverage, or an Exchange-qualified stand-alone dental plan that includes pediatric dental coverage.

In Virginia, the DMO plan is known as the Dental Network Only plan (DNO). DNO in Virginia is not a health maintenance organization (HMO). To receive maximum benefits, members must choose a participating primary care dentist to coordinate their care with network providers.

Not for use in New Hampshire or Idaho.

In Illinois, DMO plans provide limited out-of-network benefits. However, in order to receive maximum benefits, members must select and have care coordinated by a participating primary care dentist. Illinois DMO is not an HMO.

In Texas, the preferred provider organization (PPO) plan is known as the participating dental network (PDN).
