

## Eamon's Story – Are You Committed? Or Compliant?

### Questions for Reflection/Discussion

1. Eamon said that he realized at one point in his life he had been compliant with his faith, but not committed. How would you describe yourself? Compliant, committed, or something else?
2. Eamon stressed the importance of building habits to strengthen his faith. What habits do you currently have that you should build upon? Which should you eliminate? Which should you add?
3. A key theme in Eamon's story was that God was always there. Where is God right now in your life? Are you paying enough attention to Him? What might He be calling you to do?
