New Business:

How Measure:

Worship –

- Goal 1: It will take some time to set up the Welcoming Center in the gathering Space. Once implemented, report out on its effectiveness.
- Goal 2: Help youth to be more participatory in helping in training of altar servers. Core team will be helping to “keep” the kids after 8th grade, and become leaders.

Education

-

Stewardship

- 1 - Plan and implement fellowship events
- 2 – Create Welcome Activity Center
- 3 - Prayer Breakfast schedule to be developed and topics
- 4 - Marketing Plan – continue working on plan with Education

Christian Service

- Service Projects – Document the events and report out on participation.
- Operation Gratitude for Veterans nationwide program. 200 boxes made between Jan and March

Come to agreement on reporting on achievements of Commission Goals.

Paul Vories was concerned that there aren’t any dates for completion, and is thinking that without dates attached to the goals, nothing will get done.

Gary Ames said some goals will be easy to put dates on, while others will not be as easy to report specific dates, rather report on progress.

Mike Dunlap said it isn't "bad" if we don't meet the specific dates of our goals.

For consideration, report at February meeting on progress of goals. (This is in preparation for Unleash the Gospel goals that will need to be reported.)

At the May meeting (last one for current PPC), report on progress and determination on Goals moving forward.

Old Business - none

Voice of the Parish - none

Next meeting – Tuesday, December 17 at 6:00 pm at Fr. Mike's home. Sign-ups will be coming.

Conclusion: Closing Prayer

Fr. Mike
