

## **Stewardship Commission Goals 2019-2020**

1. Plan and implement fellowship events or assist other commissions in the planning or implementation of events. Target to have at least 4 events per year.
2. Create a Welcome and Activities Station in the Gathering Space to reach out to new and existing parishioners to increase involvement.

This will be a high profile location and will include:

1. A welcome in banner
  2. Brochures of primary programs and ministries for all commissions, which would include a place where people could volunteer and/or ask questions.
  3. A listing of upcoming events and related information
3. Plan quarterly prayer breakfasts to be held Saturday mornings.

These events will start with a light meal followed by a program. The programs will be of various inspirational topics. The topics will be followed by discussion at each table. The entire program would last 1.5 – 2 hrs. These breakfasts are slated to start after the first of the year and then be held quarterly.

4. Initiate a Marketing Plan, where we would communicate upcoming events and other information on a regular basis.

We will form a marketing committee, which will report up through Stewardship. The goal is to communicate upcoming events to parishioners (active and inactive) and to non-parishioners who reside on Grosse Ile through a variety of media. All commissions will communicate information that they want communicated to a point person to be determined.
