Business:

Commission Chairs reviewed short term goals for 2020 and provided background on how the goals will be measured:

- **Worship –**
- **Education –** Will measure our goals by the events and programs that we have and will have planned and how they were attended but most importantly how they affect those involved mentally, physically and most of all spiritually.
- **Adult Faith Formation-** “Living the Eucharist” is an exciting parish-based renewal experience designed to help parishes foster spiritual growth and discipleship through a more profound experience of Sunday Mass. It runs during Lent and encompasses the full scope of parish life and spirituality through practical, concrete activities. Adults, teens and families grow in their faith and hopefully live as disciples of Jesus.
- **Stewardship –** Welcoming Center is being deferred until new priest comes in. Focus on marketing plan. Saturday Prayer Breakfasts are beginning. Abby Benz began work on texting and email program

- **Christian Service** - Gary is going to work with the group to modify goals that detail projects and measure involvement.
