Thank you to everyone for sharing your talents and your time with all of us at Sacred Heart Parish!

Copies of this schedule are available on the file cabinet beside the organ in church.

If you are unable to minister for a Mass for which you were scheduled, please try to find a substitute.

If unable to find a substitute, please call or text FATHER JAMES so that he is aware before the Mass that there will not be a minister in that position. His cell # is 785-424-3531.
