The National Catholic Bioethics Center:

This center is fully committed to the teachings of the Catholic Faith regarding the moral ethics of medicine. (I know a member of this organization and can personally testify to this fact.) This center assists pastors, those working in the medical field and every day Catholics. I have referred parishioners to them for advice regarding end of life issues. They have 24 hour, 7 day a week phone number anyone can call into to seek counsel regarding end of life issues and decisions.
