

HURRICANE IDA RELIEF: Fr. Greg and his family have good friends living in the bayous of Louisiana whose Parish (County) Lafourche took a direct hit. Their diocese, Houma-Thibodeaux has set up ways to assist through their Catholic Charities as well as the parishes directly. The easiest and most direct way is through the internet. Of course a check mailed in will work as well (see below). For the internet go to <https://htdiocese.org/> You can give direct assistance to the diocese and/or to a parish. For a parish go to ADOPT AND SUPPORT A PARISH. They belong to Sacred Heart Parish in Cut Off, LA. Both will accept a one time or an ongoing donation. Since everyone is having to rebuild, the members' support of the parishes will be greatly affected. Under Catholic Charities you can make a direct donation to the works of the diocese. Contact Fr. Greg if you have any questions.
