LITURGY AND LIFE

Last Sunday Jesus sent off his disciples two by two to evangelize and heal the suffering. In today's Gospel, they return to share their experiences. Jesus declares it is time for all of them to rest and regroup. So it is for us – it is midsummer and time for rest! Plan some time for yourself in a quiet place. Rest in the beauty of God's creation and allow the time of solitude and quiet to restore your soul.

Feast of St. Mary Magdalene – July 22nd

The feast of St. Mary Magdalene is considered one of the most mystical of feasts, and it is said that of all the songs of the saints, that of Mary Magdalene is the sweetest and strongest because her love was so great. That love was praised by Jesus Himself who said that because much was forgiven her, she loved much. She had stood with Mary at the foot of the Cross on that brutal Good Friday afternoon and had been by the side of Mary during these difficult hours. On Easter morning, she went with the other women to the tomb and it was there, in the garden near the tomb, that Jesus appeared to her. It was she who brought the news of the Resurrection to the Apostles, and Peter and John raced to the tomb to see what had happened. She has always been the example of great love and great forgiveness.
