## Gabriel Project Christmas Outreach Project:

In the spirit of our parish re-evangelization, we are offering the opportunity to come Together to Christ by supporting Gabriel Project families this Christmas. All of the families are struggling, live locally and all of the mothers are either pregnant or recently had a baby. We would like to show them our love and support during the Christmas season by providing some simple items that many of us may take for granted. Please click on the following sign up genius to see the items that are being requested and for further instructions. Thank you for your support of this worthwhile ministry.

The St. John Vianney House, located at 4214 Saul Road next to Holy Redeemer School, is seeking a new house manager. This is a part-time position that can be shared by two people.

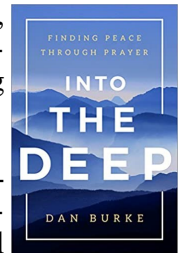

The Vianney House is a center for the priests of the Archdiocese of Washington to foster their personal well-being on their "time off." It is available to priests at any time as individuals or in groups. Priests use it to meet in groups for support or formation, often sharing a meal together; as a quiet place to read, relax, or study; and for overnight accommodations.
