What is Pentecost?

On the Feast of Pentecost, Christians commemorate the descent of the Holy Spirit upon the Apostles, gathered around the Mother of the Lord (Acts chapter 2). The feast is celebrated on the 50th and final day of the Easter season, this year on Sunday, May 23.

Prayer for Rain

cut and save

O God, our Creator, you are the source of all life. It is through your divine providence and infinite power that the wonder and splendour of all creation surround us: "How majestic is your name in all the Earth"

We pray to you who calms the raging waters and commands the wind to provide us with sufficient rain to meet our needs. During this time of drought, we are mindful of our dependence on you for all that sustains us, body and soul.

We pray for the cooling, gentle rain that will once again bring life to the fields and crops that feed us, restore the colourful rainbow of flowers and the shades of trees.

We also pray for all those who are suffering from other natureal disasters. . May they look to you for the strength to restore their lives and heal their wounded lands.

Help us to always be good stewards of your creation and care for the many resources of this earth

May your grace refresh our souls.

We ask for these blessings through the intercession of Mary, Queen of Heaven and Earth. Amen

The Parish Office will be closed May 26th thru June 1
