Mass is important

•God asks us to give the first and best to Him. This includes giving the first hour of our week to Him through participation in the Sunday Mass.

Is that too much to give to God who has given us everything?

•We don't necessarily go to Mass for our own personal enjoyment. We go to praise God and thank Him for all the good things He has given to us.

•The simple act of taking off your watch and leaving it on the dresser before going to Mass can be a symbolic gesture that the time in Mass is a gift of time that you are giving back to God

•The Eucharist is a banquet to which Jesus personally invites us. It was Christ's last gift to us before He died. How often should we refuse His invitation?

Parents are the number 1 Teachers

Although the teachers volunteer to help your child to learn our faith, the religious education of children ultimately is the responsibility of the family, the most important job of our life. We teachers can only further what you have started and will continue. Please stress the importance of loving and serving God and getting to heaven. We ask that you teach the prayers and take your children to Mass weekly. Children

learn most from good example, first and foremost from their parents and family.

SPECIAL EVENTS.

Reconciliation Dates (Confessions)

To be announced

Reminder: ½ hour before each Mass Father is in the Confessional so please take that opportunity to go to confessions as well.

Prayers

Students are expected to know the prayers from the previous years and learn their new ones. Please help your child/children to learn their material. Prayers are attached to this newsletter.

We expect the students to help keep the area clean and neat. Coats, boots and wet shoes will be taken off in the church entry. Maybe you could have a dry pair of socks or even slippers in their backpacks if things are wet or snowy.

We are always looking for help and suggestions for this program and would love to have parents step up and become teachers, help with the Christmas program and Children Masses and any other events we may need help with throughout the year. **Also if you would like to donate snacks for the children on certain Wednesday, please let me know. We would really appreciate it.**

Feel free to stop and visit your child's class. Thank you and we hope to have a happy and faith-filled year. If you have any questions call the parish office 878-4658 or Diane Wanner 260-6876

The school has agreed to bring your child to the Church with the bus on Wednesday. I would appreciate you talking to your child or children about good behavior on the bus. The school has been so good at bringing our children to the Church; if you see Mr. Schaaf thank him for doing this for us.
