

Immaculate Conception
4030 Jackson Street NE
Columbia Heights, MN 55421

Food served at Immaculate Conception for Funeral Lunches is to be catered with the exception of home baked deserts. We are providing this list as a courtesy, we do not make recommendations. Please feel free to use other licensed caterers if you prefer. If the caterer has not worked with us in the past they will need to fax a Certificate of Insurance and sign a Vendor Hold/Harmless Indemnity Agreement. Our fax number is 763-788-0202, attention: Vicki Bazille

The family is responsible for contacting the caterer of their choice and making arrangements for the luncheon. The church will set up and clean up, provide servers, all dishes, cups, napkins and the like, we will also provide coffee and water for you and your guests. If you would like to serve a beverage such as lemonade or punch our volunteers will be happy to mix and serve it. A free will offering for the goods used and service offered is accepted; make checks payable to Immaculate Conception.

It is extremely important that you contact Vicki, 763-788-9062 x 212 with the name of the caterer and final guest count as soon as arrangements have been made. If she is not in please leave a message, she will then contact the servers.

Any other questions call; Vicki 763-788-9062 x 212
