REMINDER: OUR CLASSROOMS ARE NUT FREE

April 1, 2015

Dear Parents and Guardians,

This year we have a number of children in the building with significant peanut/tree nut allergies. As a result, we are continuing our policy of keeping our classrooms nut free at all times. We ask that you please refrain from sending in any products for snacks or for birthdays that could have or have been in contact with peanut/nut products. Packages are usually marked, but if not, the best decision is to not send the item in to school.

At lunch time in the gym we offer “nut free” tables which are available for any children whose allergies may require this seating. These tables are clearly marked and are cleaned separately from the other tables. Lunches provided by the school are nut-free. On Tuesdays, students in grades 6-8 enjoy lunch in their classrooms in order for the band and instrumental students to have their lessons. We ask that on Tuesdays, lunches that are brought to school by students in those grades be “nut free” as well.

I very much appreciate your help in this very serious matter throughout the school year. Please feel free to contact me, your child’s teacher, or the school nurse, Mrs. Bellini, if you have any questions.

Sincerely,

Fayne M. Molloy
Principal
