

SPORTS NEWS OF NOTE

Congratulations to our Varsity Girls and Varsity Boys for a very successful basketball season that led both teams to the state tournament this year!

We had a great turnout for our MLK Alumni Game during Catholic Schools Week in January. Past SPS students of all ages turned out to play ball and to lend a hand with the scoreboard. We hope this will prove to be a well attended annual event! What a great way to get together and relive the 'Glory Days'!

Our cheerleaders enjoyed a special evening cheering alongside their Mercy High School counterparts during Senior Night at the high school. What an amazing memory for both current and former SPS cheerleaders!
