Dear Parents,

I am very excited to offer your children the opportunity to be a part of something very special. The Saint Paul Choir will begin rehearsing on Thursdays after school beginning Thursday October 21st. Rehearsals will go from 3:15 - 4:15 and students will meet in the library. Students in grades 3 - 8 are welcome to join.

There are many benefits of participating in a choir: musicality, improved listening skills, mental health, a sense of well being, confidence, permission to make noise as part of a group, belonging, working as a group to achieve a shared goal... to name a few.

The choir will have several opportunities to perform together and represent our wonderful school. Singing in a choir is a team sport. Each member is equally important in the success of the group. I am looking forward to working with your children and I am excited by the musical possibilities.

Please fill out the permission slip below.

Musically Yours,

Mrs. Janet Hampton

I give my student permission to join the St Paul School Choir. I understand my child will need to be picked up from rehearsal at 4:15.
