

## ***Big Friendly Giant Project***

You can pick from any of the options below as your *Big Friendly Giant* Project.

**1. Create your own giant.**

In this option, you have to create a giant to join into the giant community. Some examples you can use to create the giant are: you can draw, mold with clay, or create on the computer. You will have to write one paragraph introducing your giant. This will include the name, where it goes to eat, and one fun fact.

**2. Create a dream.**

In this option, you will create a dream that the BFG caught and is waiting to give out. Some examples you can use to create this are: you can draw, use the computer, or create a snowglobe. You will have to write one paragraph explaining what the dream is about and who you think the dream should be given to.

**3. Write a story about the BFG before he met Sophie.**

In this option, you will write 2 paragraphs about the BFG before he met Sophie. This can include what he would do during the day, how he interacted with the other giants, and how he started collecting and handing out dreams.
