and 1:30 PM for Grades 5-8

We are still waiting for several of our current families to send in their 2021-2022 Tuition/Fund Raising Agreement and deposit. If your child will not be returning to SPS after this school year we kindly ask you to email the office. This information is important for us to know as we continue to accept new applications for all classrooms. For returning families (K-8 next year): There's still time to apply for financial assistance. Complete the application at <http://www.smartaidforparents.com/>.

Our HSA Butter Braids sale was a huge success! 529 Butter Braids and Cake Rolls were ordered, with 40% of the proceeds coming to Saint Paul School totaling more than \$3,000! We send special thanks to Agnes Kowalewska for all her hard work on this major fundraiser for our school! These delicious treats arrive frozen and should remain frozen until baking, so please be sure to mark your calendar and arrange for pick-up on *Tuesday, March 30 from 1:00-4:00 PM*.

Saint Paul School's 25th Annual Auction will be on Saturday, May 1, 2021. The attached flyer has all the information. Please consider making a tax-deductible donation to the auction. We ask that you consider purchasing advertising space in our auction booklet or participating on a larger scale by becoming a sponsor of the event. The attached flyer includes links to purchase or donate. An ad in the program is as little as \$50.00! 75% of a sponsorship will count toward your family HSA obligation (up to \$250). We are also accepting donations of items/services to be used in our live and silent auction.

Please note the following calendar changes:

Tuesday, March 23 – Early Dismissal 12:00 – 12:30 according to our early dismissal schedule.

Monday, April 5 (Easter Monday) will be a full day of school (in-school instruction).

RaiseRight by ShopWithScrip is the same great gift card purchasing program that earns HSA credit and money for the school. Download the RaiseRight app today! It's such a convenient way to purchase gift cards and to work toward your family fundraising goal. The school code is **D1AA1D173642**.

Please continue to take your child's temperature every morning. It is absolutely necessary for you to keep your child at home and strongly consider COVID-19 testing if he/she experiences a fever (100°F or higher) and/or other COVID-19 symptoms. Please also notify our school nurse by telephone or at d.raymond@stpaulkensington.org. Mrs. Raymond will advise you as to the potential need for quarantine and will be happy to help you to determine whether testing is advisable for your child.

Please also remember that it is important that our protocols regarding the wearing of masks and social distancing need to continue. Student materials may not be shared. Student toys and personal items need to remain at home. We have been doing very well! Please help us to continue to be careful!

Order custom Saint Paul School masks! There are plenty available and two sizes to choose from, plus 40% of your purchase will go toward your fundraising obligation. They are a great way to show school spirit! Buy them for your whole family...grandparents too! Submit payment with the attached order form and the masks will be sent home with your child.

If you know of anyone who might be interested in enrolling a child in our school, please let them know that openings are still available in some grade levels. They can visit our website for an application and admissions information and may contact Kelly Esposito at admissions@stpaulkensington.org with questions, or to schedule a school visit. She will be happy to help!
