

SPS 2021 Spring Sports Consent/Waiver

We, _____, understand that our child has the opportunity to participate in Spring Sports activities. We understand that the choice to have our child participate is voluntary. Before the student will be permitted to participate, you are required to read the information in this notice and sign below to ensure that you are informed of and understand the risks related to COVID-19 associated with participating.

In signing below, the Parents attest that we are the parent/guardian of _____, and attest that we have read the COVID-19 Protocol Notice and understand the risks related to COVID-19 associated with participating in Spring Sports.

We further understand that there are cardiovascular and other health and safety risks associated with returning to athletic activities after COVID-19 infection. We also acknowledge that the health and safety risks posed by COVID-19 cannot be completely eliminated, despite the implementation of reasonable and age-appropriate precautions and protocols.

We further understand that because of the COVID-19 pandemic and the risk of transmission inherent in sport participation, DPH has categorized our spring sports as Low to Moderate Risk if outdoors, Moderate Risk if held indoors.

We further understand that there may be risks associated with adhering to certain mitigation strategies recommended and/or required by DPH such as wearing a face covering mask that completely covers the nose and mouth, including during active play.

Finally, given the unknown nature of COVID-19, we understand that it is not possible to list each and every specific risk associated with COVID-19 and that neither the school nor public health officials can guarantee that any student participating in spring sports activities or other in-person activities will not come into contact with someone infected by COVID-19 and/or contract such illness.

WE HAVE READ AND UNDERSTAND THE NOTICE ABOVE AND CONSENT TO OUR CHILD PARTICIPATING IN SPRING SPORTS DURING THE 2021 SOCCER SEASON.
