

# TREE OF REMEMBRANCE

Alumni, Parents, Grandparents and Friends of Saint Paul School

In the summer of 1995, the Saint Paul School Alumni Association was formed. This Association furthers the development, advancement and prestige of our Parish school. In this spirit, the Alumni Association proposed that a *Tree of Remembrance* be commissioned.

A memorial leaf can be purchased for \$100 in honor of a living or deceased person. A limited number of leaves are available.

Note: Donations of less than \$100 will be accepted toward the purchase of leaves to be engraved from the *Friends of Saint Paul School*. These donations will be accrued to \$100 per leaf. The funds collected will go into an account and the interest accrued will be used for tuition assistance for students at Saint Paul School.

If you are interested in purchasing a leaf, please provide the information below and send in your \$100 check (per leaf), payable to Saint Paul School.
