## FORMED

### Reflection For Episode 4 of Presence: Biblical Foundations With Dr. Tim Gray

“How can this man give us his flesh to eat?” These words uttered 2,000 years ago are echoed today. The doctrine of the Real Presence presents a difficulty for many people. When we take the time to understand the difficulties, we become better equipped to help address them. This can be done especially by showing how the Scriptures really do mean what the Church says they do.

## Happy Fourth of July!

God, source of all freedom, this day is bright with the memory of those who declared that life and liberty are your gift to every human being. Help us to continue a good work begun long ago. Make our vision clear and our will strong: that only in human solidarity will we find liberty and justice only in the honor that belongs to every life on earth. Turn our hearts toward the family of nations: to understand the ways of others, to offer friendship, and to find safety only in the common good of all. We ask this through Christ our Lord. Amen.
