ELEVENTH SUNDAY IN ORDINARY TIME

13th June 2021

The Deep End – ‘It is like a mustard seed’

Something we may not often think about is Jesus' earthly relationship with creation. Jesus walked everywhere, went to quiet places to pray, preached from mountains, from boats on the water; his followers included fishermen in tune with the rhythm of the sea. In Pope Francis' encyclical *Laudato Si'* – On Care for Our Common Home, he reminds us that Jesus *'was in constant touch with nature, lending it an attention full of fondness and wonder'* (*Laudato Si'*, 97). Jesus' parables are full of imagery from the natural world and in today's Gospel we have an example of this in the parable of the mustard seed. People of Jesus' time may have preferred the image of the lofty 'cedars of Lebanon' to explain God's kingdom, mustard plants however, only stand a few feet tall. Jesus is turning the ideals of power and triumph on their head. There is an ancient text which forbade planting mustard seeds in Palestinian gardens because the shrub takes over wherever it is planted and attracts unwanted birds. Author and activist, Shane Claiborne, compares it to *kudzu*, a wild vine that could blanket entire mountain areas, smother trees, even crack cement buildings. This mustard seed image of God's dream for this world is one which suggests that it will grow even in places where it is not wanted, putting cracks in seemingly mighty structures.

The New Testament not only tells us of the earthly Jesus and his tangible and loving relationship with the world. It also shows him risen and glorious, present throughout all of creation (Col 1:19-20). *'The very flowers of the field and the birds which [Christ's] human eyes contemplated and admired are now imbued with his radiant presence'* (*Laudato Si'*, 100). As we watch out for traces of the mustard seed kingdom this week, let us also embrace the joy of Christ in all of creation.

An Act of Spiritual Communion

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

PRAYER FOR THE ENVIRONMENT

Creator of our common home,
You fill the earth and sea and sky with life
Forgive us our neglect of your creation
The choking waste of our pollution
The damage done by careless habits
And our indifference to future generations.
Help us to amend our lives
To refuse more plastic if we can't reuse it
To lift our voice for lasting change
And to live well and gently on the earth
To the glory of your Son, the Living Word
Through whom you made this fragile world.
Amen.

We ask our parishioners to please keep little Aria Brereton in your prayers. Aria is 4yrs old and is undergoing treatment for Leukaemia at the moment. World Elder Abuse Awareness Day serves as a call to organisations and communities to raise awareness about Elder abuse, neglect and exploitation. Research suggests that 4 – 10% of older people experience some form of abuse, most of which will go unreported. This day is to make sure we remain focused on our older populations and ensure that they continue to lead lives of high quality and dignity. You can show your support by wearing a purple ribbon on World Elder Abuse Awareness Day on June 15th.

PRESENT FOR MY TEACHER

www.presentformyteacher.com is where parents and guardians can buy an online gift for their children's teachers in exchange for a donation towards the work of Mary's Meals. Every donation will help to support their mission to provide nutritious daily meals to some of the world's poorest children in their place of education. Donations of **any** amount are gratefully accepted and for just €18.30, a child can receive daily meals while they learn for an entire school year. It is really two gifts in one: your children can safely send a beautiful e-card via email to recognise and thank their teacher, while simultaneously giving a gift of hope to hungry children across the globe.
