

Stock

Did you know donations of appreciated securities have substantial tax benefits and are easy to accomplish when working with the Catholic Community Foundation?

Physical Property

Through the Foundation, we can accept all forms of real estate, including land, buildings, and any other physical property, including boats, jewelry, and anything else you can think of!

Life Insurance

By naming the parish as a beneficiary of your life insurance policy, retirement accounts, or have a policy that has lapsed in its original intent, the parish may be able to benefit.

Wills & Trusts

By including the Catholic Community Foundation in your will or trust, we can ensure your gift is protected and allocated in accordance with your wishes. This includes the establishment of an endowment for your parish.

Closely Held Business Interests

Have a closely held business that you are liquidating, or want to share in the prosperity? The parish, through the Catholic Community Foundation, can accept interest in partnerships, corporations, and other closely held businesses.

Retirement Plans

At the age of 72, you are required to begin taking minimum distributions from your retirement accounts. If these are not needed, avoid the tax and get a charitable deduction.
