

St. Basil The Great

Masking & Social Distancing Announcement

We are aware of the revised guidelines from the CDC this week regarding social distancing and masks. We wanted to let you know that St. Basil the Great will maintain its current mask and social distancing requirements and other pandemic safety measures in the church building until it has the chance to review more complete guidance from the Archdiocese of Philadelphia and government officials, which is expected later this week.

We will announce any changes to our Mass attendance guidelines as soon as we have them, so please check our website and Facebook page for updates. We thank you for your support of our parish and for your cooperation and care for each other as we continue to move forward through these rapidly changing times.
