

ABANDONMENT TO GOD'S HOLY WILL:

This day, I choose to abandon my whole self to the perfect will of Almighty God.

Heavenly Father, teach me to submerge my selfish and self-seeking will into your vast and ever benevolent will, so that I may become your docile servant and your obedient child.

Take hold of my thoughts, my words, my actions, my feelings, my plans and my crosses and direct these to conform to your desires for me, my God.

Do with me whatever you see fit whether it be pleasing or distressing for me and bestow upon me the grace to accept all with enduring inner peace and humility.

Help me to pray as my Blessed Mother did "I am the servant of the Lord, let it be done unto me according to Thy Word", and to pray as Jesus did "Not my will but Thine be done."

All for the Glory of God.

Amen.
