

## **PRAYER FOR CHASTITY:**

O most sweet and chaste Mother Mary, I bring to you the countless millions of souls who are enslaved by the evil spirit of lust. I beg you to quench that unholy fire with the fire of chastity, purity and repentance.

Bestow upon these wretched souls the golden cincture of chastity that they may claim their rightful place as sons and daughters of God.

Dear Mother, I ask you to restore the love of God throughout the whole world. Please bring this prayer to your adorable Son and ask Him to pour out His Divine Mercy upon us all.

Amen.
