and educates our children.*

Prayer Corner

Prayer for Holiness
Breathe in me,
O Holy Spirit,
that my thoughts may all be holy.

Act in me,
O Holy Spirit,
that my work, too, may be holy.

Draw my heart,
O Holy Spirit,
that I love only what is holy.

Strengthen me,
O Holy Spirit,
to defend all that is holy.

Guard me so,
O Holy Spirit,
that I may always be holy.

Amen.

Mrs. Lisa Gruber, Principal

lgruber@allsaintsschool.net

Thank you for your flexibility with the change of Mass days. I will be creating a schedule of Mass dates so that we can try to know in advance when there will be changes.

Please check your Power School accounts to make sure all forms are completed. This is very important so that we have all the current information on your family. Every year the section G, Consent to treat, must be completed. This section is deleted each year so it will always be current. There are only three families who have all forms completed and we thank you for

that. You will receive an email from the school office with a reminder.

Mrs. Lisa Gruber

Weekly newsletter will be sent home Thursday after school, via an email through Constant Contact. Some have been going to Spam, so spread the word to your ASCS family and friends.

Welcome back!

We are welcoming Amie Ciriacks back as a classroom supervisor for grades 6-8. Amie has agreed to teach religion for the 6-8 graders and spend Tuesday and Thursday mornings supervising the online classes. She will not be teaching or doing any grading (other than religion). She is helping us out, without the time commitment it takes to be a full time teacher. She knows the students and will gladly help them with questions during their online course work. Please contact Mrs. Gruber with any questions or student concerns with the 6-8th graders. Thank you to Mrs. Ciriacks for helping us!

Packer Pro Shop Help

Volunteers **URGENTLY** Needed to Help With the Packers Pro Shop!

All Saints is in urgent need of volunteers for **Monday night's Packers game**. We could still use up to eight volunteers! During past games, volunteers have helped re-stock the Pro Shop and putting merchandise on hangers to help replenish the shelves. And the Packers feed you!

The game on September 20th is at 7:15pm, and you would need to report to Lambeau Field by 4:30pm. Unfortunately, since it is a night game, you will need to be 18 years or older to volunteer for this game.

Please email the parish office or give us a call with any questions. Please consider volunteering for this fundraiser, because it helps both our Parish and the Packers!

Fall Flower Sale

Please help support our Home and School Association! The Fall flower sale is September 25 form 9:00-1:00 in the school parking lot. Prices and details are in the flyer below.

Weather Reminder

Please be aware of the changing weather conditions. Although shorts are allowed through the end of September, it may be a little chilly for them! All students will be required to be outside for recess so bring a jacket when needed. Thank you!

School Board Members and Meetings

The next school board meeting is September 16, 2021 at 6:00 in the school library. The meetings are scheduled for the third Thursday of each month, unless there would be a reason to change them. We will try very hard to keep you informed of changes but sometimes it is last minute!

Board Members:

President: Cindy Thompson
Vice President: Cathy Siebold
Secretary: Christy Derricks
Mentor to President: Nick Vander Bloomen

Third Thursday meetings:

Oct 21
Nov 18
Dec 16 (may conflict with Christmas activities)
Jan 20
Feb 17
March 17
April 21
May 19
June 16
Aug 18

Meetings will be at 6:00 in the library and then all parish boards will meet at 7:00 p.m. in the lower level of church.

Classroom Highlights

Here are some things the students said about their teachers:

Ms. K doesn't give a lot of homework! She is nice and helpful.

Ms. Pennings let's us play with toys. She says goodbye to us!

Mr. Tischer gives us brain breaks every hour so we can take a break from the computer. Scratch coding is really fun!

COVID News

As of August 11, 2021, we are able to make decisions about masking based on our local community. Here are some of the procedures and updates.

Hygiene and Cleanliness

- Adequate personnel are needed to clean the building.
- All employees and students should wash or sanitize their hands as appropriate.
- Hand sanitizers and/or wipes should be readily available in all classrooms and common areas.
- Areas of the school where illnesses are commonly spread, should consider being cleaned between the beginning of the day and lunchtime, then again after the school day is completed.
- Consider cleaning high touch areas at least two times a day - railings/door knobs/etc.
- Classroom teachers should consider evaluating the way students are sent to the restroom to limit the number of people in the small space at once.
- Each school building should be deep cleaned once a week. Schools may consider using a fog chemical that is safe for schools to accomplish this deep clean.
- Students need to be instructed that they should do their best to always cough or sneeze into a tissue (discarded) or their elbow. At all times, this needs to be modeled well by school employees.
- Instruct students on proper hygiene of blowing nose or coughing. The student should

discard the used tissue and wash or sanitize their hands. Adults working in the school must model this practice.

- Administrators should post appropriate sanitary methods for the students to have a visual reference on how to stop the spread of germs.

Based on updated data from the CDC and DPI, the following guidelines are recommended for schools:

A student or employee who is diagnosed with COVID-19 must follow procedures as outlined by their county health department. If there are no county health procedures in place, the following guidance should be followed:

- If a staff or student is not vaccinated and tested positive for COVID or was exposed to someone who tested positive for COVID, and the staff or student has NOT HAD COVID within the past 90 days, the staff or student should quarantine for a minimum of 10 days. The result may be shortened to 7 days if the staff or student receives a negative COVID test result.
- If a staff or student is not vaccinated and was exposed to someone who tested positive for COVID, and the staff or student HAS HAD COVID within the past 90 days, the staff or student do not need to quarantine.
- If a staff or student is vaccinated against COVID they do not have to quarantine, but should get a COVID test within 3-5 days of exposure.

Masks

- Face masks are required on public school buses.
- The use of masks are at the discretion of the school.
- DPI and the CDC recommend that all students, teachers, and staff, regardless of vaccination status, wear face masks at school.
- Schools may consider in areas where there is student density and close contact in excess of 15 minutes that masks covering the nose and mouth be worn by adults and students.
- The Office of Catholic Schools will require masks to be worn if a school has over 10% of the total student body with a positive COVID 19 test. Masks will continue to be required until the school achieves an infection rate of less than 5%.
- If the COVID rate in your county is at Moderately High or greater, visitors and guests should not be allowed in your school. This includes volunteers. When the county rate is at Moderate or lower, visitors, volunteers and guests may return.

Schools are not required to take temperatures or ask health related questions for students as they enter the school building. Schools should consider implementing screening of students if COVID levels at the county level are in the High category.

It is the responsibility of the parent (guardian) to make certain a child is healthy and able to attend school. Parents should send their child to school if they have answered NO to all of the following questions:

- Have you been in close contact with a confirmed case of COVID-19?
- Have you had a fever in the last 48 hours?
- Have you had a new loss of taste or smell?
- Have you had muscle pain or chills?
- Have you had a new headache?
- Have you had nausea, vomiting or diarrhea?

Knights of Columbus

Knights of Columbus meets the first Tuesday of the month in the church basement from 6-9 p.m.

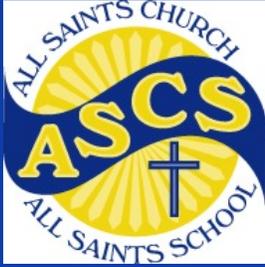

Service and charity are at the heart of the Knights. Founded to meet the needs of immigrants, refugees and families suffering from the death of a breadwinner, the Knights began as a small service organization and has grown into a worldwide financial and charitable organization.

Our local KCs has helped the school with generous donations throughout the years. Please support their fundraisers and consider joining!
