

Hello!

On behalf of the recipients, thank you for participating and contributing to **Together in Mission** (TIM).

Last year, people across the globe were faced with an unexpected virus that caused many losses. Nonetheless, such an atrocity could not stop you from sharing your prayer, love, and generosity with others. In 2020 TIM received a total of **\$21,788.75** from your bountiful gifts. Your blessing is strictly sent to the Archdiocese, contributing to 72 parishes and schools throughout the Archdiocese that otherwise could not have the suitable needs to worship God and pass on the faith and Catholic teachings to the next generation.

This year, our parish will participate in TIM beginning **Sunday, June 6**, and our parish's goal is **\$25,511**. You can contact the TIM office at (213) 637-7672 if you have any questions.

Great people like you can go beyond life's challenges and struggles because you value the Church's mission and the beauty of life. You know God is using you to glorify His name. Your contribution can prompt changes in the recipients' lives and future.

May God grant His peace upon you and your family for your kind heart!

God bless!
